

The L.D. Bell Orchestra Booster Club is excited to announce we are kicking off a sponsorship drive! You will earn 75% of every sponsorship you sell so this is a great way to earn money to help pay for your trip! As with other fundraisers, this money will roll over to next year if you aren't going on this year's trip.

Student Information

Potential Sponsors

Sponsorships can be obtained from area businesses, such as stores, restaurants, professional offices, hair and tanning salons, etc. You can point out that Bell has the only HS orchestra in the district. Therefore, families that will be seeing the concert program will be from all over the district, and not just the L.D. Bell area.

Sponsorship Credits

Generally, the student that first contacts a sponsor will be given credit for the sponsorship. Sponsors cannot be reserved by announcing your intent to contact them, or by any other means.

Related Sponsorship

Generally, it is to the benefit of the Orchestra program to allow students that have a strong connection to a potential sponsor to contact that sponsor. For example, if a student's parent works for a particular business, it would be most appropriate to allow that student to contact the business regarding sponsorships.

Sponsorship Procedures

If a business elects to become a sponsor, have the business complete the L.D. Bell Orchestra Sponsor Form. Make sure all information is provided and that it is legible. Obtain payment either by cash, check or PayPal. Once the booster club has received payment, the sponsorship Chair, Rachel Metcalf will reach out to confirm. Please turn in everything ASAP.

Identity

Some businesses may want additional proof of your identity. This is not unreasonable. If they want to verify your authority to collect for the booster club, ask them to contact Allison King at allisonking@hebisd.edu or Rachel Metcalf at ldbellorchestraboosterclub@gmail.com Tell them that you can return after they've had a chance to contact one of us.

Do not provide any personal information other than your name and school information. Do not provide your address or phone number. If anyone is overly curious or demanding regarding your identity, simply advise them that you will have an adult call them. You will then need to leave the location.
